B-2020

B-4020

C-3018

These Acme Safes are designed for the secure storage of cash and valuables for the home or business. The solid steel construction provides excellent protection against forced entry. The “B” rate safe has a ½” steel door and ¼” body. The “C” rate has a full 1” door and ½” body for added protection.

Standard features include:

- U.L. Group II combination lock or optional electronic lock
- Adjustable steel shelves
- Auxiliary spring loaded re-locking device
- Dead bar behind hinge to prevent door removal
- Four pre-drilled mounting holes in bottom for bolting to the floor
- Adjustable ball bearing hinges on “C” rate safes
- One year warranty
